Elkin High School Graduation Project Topic Proposal Approval

FORM 2 RESPONSE - REQUIRED

Instructions: This form indicates the Graduation Project Committee’s response to your request for approval of your proposed Graduation Project Topic. There are two parts to this approval; the research paper and the final product. Once both sections are approved, the student must gather all required signatures and submit the finalized form to his/her Graduation Project Advisor. This form will become part of the final Graduation Project Portfolio. If the student wishes to change the Graduation Topic once approval has been made, a new submission process must be completed.

TO BE COMPLETED BY THE GRADUATION PROJECT COMMITTEE:

Student Name: ______________________________

PAPER:

General Research Topic (Big Idea): ______________________________________________________

___ Approved *

___ Resubmit after making the following revisions:

___ There are numerous spelling, sentence structure, and grammar errors in your request.
___ Your research topic needs to be more clearly identified.
___ The topic is too broad and cannot be adequately discussed in a four to six page paper.
___ The topic is too narrow and/or required resources may be difficult to obtain.
___ The research topic is too simplistic and may not be a sufficient “learning stretch”.
___ The research paper is unrelated to the proposed product.
___ Other: ______________

PRODUCT:

Description of Final Product: ____________________________________________________________

___ Approved *

___ Resubmit after making the following revisions:

___ More specific explanation of the product is necessary.
___ There is no apparent “learning stretch” in the product.
___ The product resembles a product that is already part of the high school curriculum.
___ The product has already been completed by many other students.
___ The product involves too much expense.
___ The product contains potentially dangerous elements.
___ The product would not require a minimum of fifteen hours to complete.
___ Other: ____________________________________________

Please consider the following recommendations to strengthen or to change your topic. Once you revise, please resubmit an Application for Topic Approval through the Elkin High School Graduation Project Portal for consideration.

________________________________________________________________________________
________________________________________________________________________________

* TO BE COMPLETED BY STUDENT ONCE BOTH TOPIC SECTIONS HAVE BEEN APPROVED:

By signing below, I (we) indicate agreement in this topic selection and understand that if a topic change is requested a new Request for Approval must be submitted for either component of this Graduation Project Proposal. The parent/guardian agrees and accepts responsibility for the selection of an appropriate mentor to guide the student through the product completion that requires a minimum of 15 hours.
